# About Everthought

---

Everthought encompasses two specialist training colleges, located in Brisbane and Perth. These colleges and operations deliver industry recognised courses, from Certificate III through to Diploma qualifications.

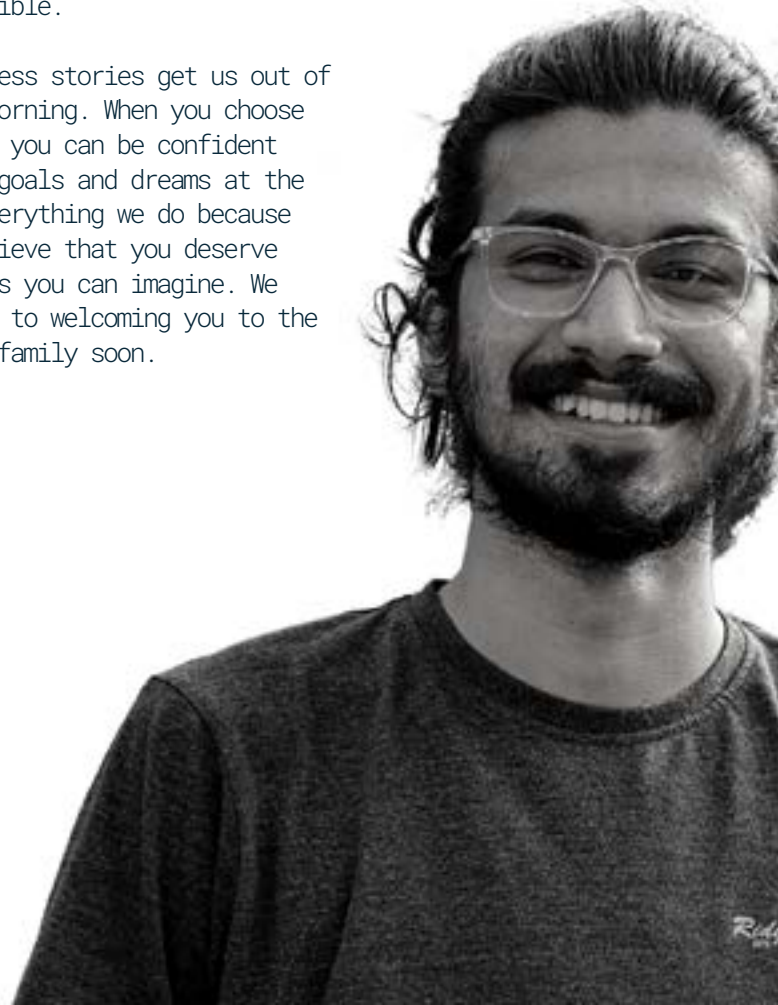

Operating since 2006, Everthought has built a community made up of our most skilled tradespeople and students from Australia and all over the world. Together we share ideas and help each other to achieve our goals. We understand that community is central to student success; this is why it is at the heart of what we do. Students frequently come together for social occasions including campus BBQs, sport events, world food days and cultural celebrations.

Our trades courses bring together the latest technology in building and construction and fine craftsmanship that our industry leaders are known for. Everything takes place in our clean, modern and well-located learning spaces. Our purpose-built facilities reflect the current industry standards in construction, with all the conveniences of transport links nearby so our students can live around the city and maintain a social life and study/life balance.

With a focus on quality, our trainers have 10 years'+ experience in their industry. Our Net Promoter Score consistently puts us ahead of our competitors and our students frequently tell us they would recommend us to their friends and colleagues based on our superior customer service, industry-connected training and the connection they have to our trainers. We're proud of our graduated alumni and the exciting careers they have embarked on post Everthought, so we invite them back to share their stories with our current students.

Our frequent intake dates throughout the year mean less waiting around, and our students can start their course as soon as possible.

Student success stories get us out of bed in the morning. When you choose Everthought, you can be confident we put your goals and dreams at the centre of everything we do because we truly believe that you deserve every success you can imagine. We look forward to welcoming you to the Everthought family soon.

## Brisbane Campus

The main city of the 'Sunshine State' of Queensland! The third largest city in Australia sits between two of the most popular beach destinations. the Gold Coast and Sunshine Coast. Brisbane is a cosmopolitan and friendly place, offering the best balance of lifestyle and opportunity.

Everthought offers a designated trade workshop, which is a purpose-built and modern training facilities, equipped to teach the students tailored skills in all our courses.

Our Brisbane campus is based in Salisbury, just south of CBD. Close to a large university campus, with plenty of affordable accommodation and public transport nearby. We also offer free all-day parking on site.

## Perth Campus

Welcome to Perth! The largest city of Western Australia is considered the sunniest capital and one of the most beautiful cities in Australia. Stated by The New York Times as a 'hipster haven', you will enjoy one of the world's largest inner-city parks, charming wineries and stunning beaches.

Everthought has a 4000sqm designated trade workshop, which is a purpose-built and modern training facilities, equipped to teach the students tailored skills in all our courses.

Our Perth campus is located in Cannington and is a short drive from the CBD and a five-minute walk from Queens Park train station. We offer free all-day parking on site.

# Why Join Everthought?

Our students satisfaction constantly put us above our competitors.

6,500+ students have graduated with us.

Our colleges have been training since 1997.

We are a Private Registered Training Organisation (RTO).

Our 2-year trade course is equivalent to Australians undertaking a 4-year apprenticeship program.

Perth and Brisbane campuses are located in convenient locations, with modern infrastructures and facilities with the latest technologies.

Personalised small classes with a focus on practical training.

Flexible payment options

Community based on collaboration and connection, formed by industry professionals and accredited trainers with over 10 years of experience.

Frequent intake dates

We put our students first. we are passionate about transmitting our knowledge and designing opportunities to allow our students to thrive and succeed.

# Construction Industry in Australia

Number of employees in the construction industry in Australia from 2010 to 2020 with a projection for 2024 (in 1,000s)\*

Employment level and projection (in 1,000s)\*

## Certificates & Diplomas

CPC33020 Certificate III in Bricklaying and Blocklaying

CPC30220 Certificate III in Carpentry

CPC31320 Certificate III in Wall and Floor Tiling

CPC40120 Certificate IV in Building and Construction

CPC50320 Diploma of Building and Construction (Management)

CPC50220 Diploma of Building and Construction (Building)

Course Code: CPC33020

# Certificate III in Bricklaying and Blocklaying

In this course you will gain the knowledge and skills to lay bricks for residential or commercial buildings. You will learn to construct arches, columns, steps, stairs, feature walls, curved walls and ornamental panels. Alongside these skills you will learn how to use different bonds. You will gain valuable knowledge to be able to interpret plans & apply work health and safety to ensure you meet safety standard requirements at all times.

This course is delivered in Everthought Education's purpose designed facilities where emphasis is placed on providing hands-on, practical training in conjunction with industry-based theory components. Training is provided by accredited, trade trainer/assessors with current industry experience.

## Course Information

**Duration**

2 years full time (8 terms)

**Entry Requirements**

Students must be 18+ years old &amp; have completed Australian Year 10 qualification (or equivalent).

**English Language Requirements**

IELTS 5.5 (with a minimum of 5 in any band) or TOEFL IBT 46 or PTE 43 or CAE 47 or equivalent level from an approved ELICOS provider

**Career Opportunities**

Brick and Blocklayer

**Location**

Perth Campus

## \$69,500 per year Average Salary

This is the average Bricklayer salary in Australia, or \$1,463 per week (\$34.62 per hour). Entry Level positions start at \$60,000 per year, while most experienced workers make up to \$80,000 per year\*.

## Subjects

20 units of competency. 17 core units and 3 elective units.

Unit Code	Unit Name
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
CPCCCA3002	Carry out setting out
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work
CPCCOM1014	Conduct workplace communication
CPCCOM1015	Carry out measurements and calculations
CPCCOM2001	Read and interpret plans and specifications
CPCCM2006	Apply basic levelling procedures
CPCCM2008	Erect and dismantle restricted height scaffolding
CPCCBL2001	Handle and prepare bricklaying and blocklaying materials
CPCCBL2002	Use bricklaying and blocklaying tools and equipment
CPCCBL3002	Carry out masonry veneer construction
CPCCBL3003	Carry out cavity brick construction
CPCCBL3005	Lay masonry walls and corners
CPCCBL3006	Lay multi-thickness walls and piers
CPCCBL3009	Install flashings and damp proof course
CPCCBL3010	Construct masonry arches
CPCCBL3011	Construct curved walls
CPCCM2012	Work safely at heights
CPCCBL3013	Construct Masonry Structural Systems
CPCCM2009	Carry out basic demolition
CPCCBL3004	Construct masonry steps and stairs
CPCCBL3012	Construct fireplaces and chimneys
CPCCBL3014	Install fire-rated masonry construction
CPCCBL3015	Construct decorative brickwork
CPCCBL3016	Construct battered masonry walls and piers
CPCCM2007	Use explosive power tools
CPCCBC4014	Prepare simple building sketches and drawings

Course Code: CPC30220

# Certificate III in Carpentry

In this course you will gain the knowledge and skills to carry out a range of building and construction tasks using basic carpentry tools, power tools and carpentry materials. You will learn how to construct pitched roofs, ceiling frames, and flooring. You will also gain the knowledge to be able to interpret plans & apply work health and safety to ensure you meet industry safety standard requirements at all times.

This program is delivered in Everthought Education's purpose designed facilities where emphasis is placed on providing hands-on, practical training in conjunction with industry-based theory components. Training is delivered by accredited, trade trainer/assessors with current industry experience.

# Testimonials

"I wanted to totally change my life. In Brazil, I was a System Analyst, but with the Carpentry Course I felt truly comfortable. Australia is an amazing place to have fun and work hard. When I finish the course I am looking forward to a full time job and help people to build houses and make their dreams come true. Come to Everthought – you can be different! "

Gabriel Rocha Magalhaes, Brazil, CPC30211 Certificate III in Carpentry

"A professional and the best college to study a trade course that is apart of the Australian construction industry. Everthought is a unique organisation, with great project management and highly experienced and professional trainers. Everthought is a golden path that leads to a better future. As being a part of it, I am very thankful to Everthought for making me professionally skilled."

Prabhdeep Singh, India, CPC30211 Certificate III in Carpentry

"Studying at Everthought was a great experience, I got to know about all aspects of Tiling. The trainers and office staff were great. 2 years in there gone like a snap. I felt like Evethought is another home for tradies. I am so glad I was a part of it!"

Jordan (Sukhwinder), India, CPC30311 Certificate III in Wall & Floor tiling

"I find it so empowering being able to hold my own in traditionally male dominated spaces; challenging the status quo and holding my own independently whilst learning new skills and recognising my strengths at the same time."

Emily Walker, United Kingdom, CPC30211 Certificate III in Carpentry
