## On Campus International - CRICOS Course Code: 104862M CPC30220 Certificate III in Carpentry

The Certificate III in Carpentry is a trade level qualification and provides students with necessary skills, knowledge and skills to work on a building site in the area of construction carpentry.

Students will learn how to efficiently produce quality work in the building and construction, renovation and maintenance sectors of the industry. Major areas of study include interpretation of plans, measurements and calculations, use of power tools and equipment, installing flooring and constructing timber external stairs etc. The course is primarily aimed at the residential sector of the industry where students will be able to construct domestic framework, formwork, scaffolding and footings. You will also gain the knowledge to be able to interpret plans & apply work health and safety to ensure you meet industry safety standard requirements at all times.

This program is delivered in Everthought Education's purpose designed facilities where emphasis is placed on providing hands-on, practical training. Training is delivered by accredited, trade trainer/assessors with current industry experience.

# Units of Competency: 27 core units and 7 elective units.

Unit Code	Unit Name
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry (C)
CPCWHS3001	Identify construction work hazards and select risk controls (C)
CPCCOM1012	Work effectively and sustainably in the construction industry (C)
CPCCOM1014	Conduct workplace communication (C)
CPCC0M1015	Carry out measurements and calculations (C)
CPCCOM3001	Perform construction calculations to determine carpentry material requirements (C)
CPCCCA3025	Read and interpret plans, specifications and drawings for carpentry work (C)
CPCCCA2002	Use carpentry tools and equipment (C)
CPCCCA2011	Handle carpentry materials (C)
CPCCCM2008	Erect and dismantle restricted height scaffolding (C)
CPCCCM2012	Work safely at heights (C)
CPCCC02013	Carry out concreting to simple forms (C)
CPCCCA3001	Carry out general demolition of minor building structures (C)
CPCCCA3002	Carry out setting out (C)
CPCCCM2006	Apply basic levelling procedures (C)
CPCCOM3006	Carry out levelling operations (C)
CPCCCA3003	Install flooring systems (C)
CPCCCA3004	Construct and erect wall frames(C)
CPCCCA3005	Construct ceiling frames (C)
CPCCCA3006	Erect roof trusses (C)
CPCCCA3007	Construct pitched roofs (C)
CPCCCA3008	Construct eaves (C)
CPCCCA3028	Erect and dismantle formwork for footings and slabs on ground (C)
CPCCCA3010	Install windows and doors (C)
CPCCCA3024	Install lining, panelling and moulding (C)
CPCCCA3016	Construct, assemble and install timber external stairs (C)
CPCCCA3017	Install exterior cladding (C)
CPCCCA3012	Frame and fit wet area fixtures (E)
CPCCCA3014	Construct and install bulkheads (E)
CPCCCM2002	Carry out hand excavation (E)
CPCCCA3027	Set up, operate and maintain indirect action powder-actuated power tools (E)
CPCCOM1013	Plan and organise work (E)
CPCCBC4014	Prepare simple building sketches and drawings (E) - WA only
CPCCCA3009	Construct Advanced Roofs (E) - WA only
CPCCSF2004	Place and fix reinforcement materials (E) - QLD only
CPCCCM3001	Operate elevated work platforms up to 11 metres (E) - QLD only
