

CPC30220 Certificate III in Carpentry

The Certificate III in Carpentry is a trade level qualification and provides students with necessary skills, knowledge and skills to work on a building site in the area of construction carpentry.

Students will learn how to efficiently produce quality work in the building and construction, renovation and maintenance sectors of the industry. Major areas of study include interpretation of plans, measurements and calculations, use of power tools and equipment, installing flooring and constructing timber external stairs etc.

The course is primarily aimed at the residential sector of the industry where students will be able to construct domestic framework, formwork, scaffolding and footings. You will also gain the knowledge to be able to interpret plans & apply work health and safety to ensure you meet industry safety standard requirements at all times.

This program is delivered in Everthought Education's purpose designed facilities where emphasis is placed on providing hands-on, practical training. Training is delivered by accredited, trade trainer/assessors with current industry experience.

Course Information

Duration

2 years full time (8 terms)

Entry Requirements

English Language Requirements: IELTS 5.5 (with a minimum of 5 in any band) or TOEFL IBT 46 or PTE 43 or CAE 47 or equivalent level from an approved ELICOS

Career Opportunities

Residential or Commercial Carpenter, Formworker

Location

Perth Campus
Brisbane Campus

Start Date

Enrolments are taken on an ongoing basis. Students can make an enquiry online at any time, or over the phone or in person during business hours.

\$76,050 per year Average Salary

This is the average Carpenter salary in Australia, or \$1,159 per week (\$39 per hour). Entry Level positions start at \$61,147 per year, while most experienced workers make up to \$89,651 per year*.

Units of Competency

34 Units of competency: 27 core units and 7 elective units.

Unit Code	Unit Name
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry (C)
CPCWHS3001	Identify construction work hazards and select risk control strategies (C)
CPCCOM1012	Work effectively and sustainably in the construction industry (C)
CPCCOM1014	Conduct workplace communication (C)
CPCCOM1015	Carry out measurements and calculations (C)
CPCCOM3001	Perform construction calculations to determine carpentry material requirements (C)
CPCCCA3025	Read and interpret plans, specifications and drawings for carpentry work (C)
CPCCCA2002	Use carpentry tools and equipment (C)
CPCCCA2011	Handle carpentry materials (C)
CPCCCM2008	Erect and dismantle restricted height scaffolding (C)
CPCCCM2012	Work safely at heights (C)
CPCCCO2013	Carry out concreting to simple forms (C)
CPCCCA3001	Carry out general demolition of minor building structures (C)
CPCCCA3002	Carry out setting out (C)
CPCCCM2006	Apply basic levelling procedures (C)
CPCCOM3006	Carry out levelling operations (C)
CPCCCA3003	Install flooring systems (C)
CPCCCA3004	Construct and erect wall frames(C)
CPCCCA3005	Construct ceiling frames (C)
CPCCCA3006	Erect roof trusses (C)
CPCCCA3007	Construct pitched roofs (C)
CPCCCA3008	Construct eaves (C)
CPCCCA3028	Erect and dismantle formwork for footings and slabs on ground (C)
CPCCCA3010	Install windows and doors (C)
CPCCCA3024	Install lining, panelling and moulding (C)
CPCCCA3016	Construct, assemble and install timber external stairs (C)
CPCCCA3017	Install exterior cladding (C)
CPCCCA3012	Frame and fit wet area fixtures (E)
CPCCCA3014	Construct and install bulkheads (E)
CPCCCM2002	Carry out hand excavation (E)
CPCCCA3027	Set up, operate and maintain indirect action powder-actuated power tools (E)
CPCCOM1013	Plan and organise work (E)
CPCCBC4014	Prepare simple building sketches and drawings (E) - WA only
CPCCCA3009	Construct Advanced Roofs (E) - WA only
CPCCSF2004	Place and fix reinforcement materials (E) - QLD only
CPCCCM3001	Operate elevated work platforms up to 11 metres (E) - QLD only

CPC30220 Certificate III in Carpentry

The Certificate III in Carpentry is a trade level qualification and provides students with necessary skills, knowledge and skills to work on a building site in the area of construction carpentry.

Everthought assesses your skills, knowledge and experience against nationally accredited qualifications or units of competency. This means that you may not need to complete any additional formal study where you can provide sufficient evidence of your industry experience or previous training. Gap Training can be provided as required. Everthought will guide you through its easy five-step process.

The course is primarily aimed at the residential sector of the industry where students will be able to construct domestic framework, formwork, scaffolding and footings. You will also gain the knowledge to be able to interpret plans & apply work health and safety to ensure you meet industry safety standard requirements at all times.

Potential gap training is provided by accredited, trade trainer/assessors with current industry experience.

Course Information

Duration

2 – 8 weeks dependant on levels of experience and knowledge

Entry Requirements

3 to 4 years demonstrated experience with a minimum of two work referrals from qualified builders

Career Opportunities

Residential or Commercial Carpenter, Formworker

Location

Virtual assessment plus completion of any Gap Training required

Start Date

Enrolments are taken on an ongoing basis. Students can make an enquiry online at any time, or over the phone or in person during business hours.
