

Traineeship QLD & NSW

CPC30320 Certificate III in Concreting

The CPC30320 Certificate III in Concreting provides students with necessary skills and knowledge to work in concreting operations on residential and commercial projects.

The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as a specialist field of work.

Please note: Completion of the general induction training program specified by the National Code of Practice for Induction Training for Construction Work (ASCC 2007) is required before entering a construction work site. Achievement of unit CPCCOHS1001A, CPCCWHS1001A or CPCWHS1001 (White Card) covers this requirement but is not included within this course.

Course Information

	Delivery Mode	Traineeship 1 to 2 years workplace delivery (Brisbane on-campus option also available)
	Entry Requirements	<ul style="list-style-type: none"> - Employed in a registered traineeship* - Access to the internet - Completion of LLN Assessment (not necessarily a barrier to entry)
	Career Opportunities	Concreter, Concrete Tilt Panel Fabricator, Concrete Pump Operator
